Objective

Pre-final year Computer Technology student with a strong foundation in programming and web technologies, interested in developing simple and efficient software solutions while continuously improving problem-solving and technical skills

Education

Bannari Amman Institute of Technology

2023 – 2027

Bachelor of Technology - Computer Technology

CGPA: 7.93/10.0

Ambal Matric Higher Secondary School, Sirumugai

2023

Higher Secondary (12th)

88.33 %

Ambal Matric Higher Secondary School, Sirumugai

2021

Secondary (10th)

Pass

Projects

Expense Tracker | *HTML, CSS, JavaScript*

January 2026

- Built a web application to track daily expenses with date-wise history.
- Integrated browser camera functionality to attach images to expense records.
- Focused on clean UI design and structured JavaScript logic.

News Dashboard | *HTML, CSS, JavaScript, Public APIs*

January 2026

- Developed a responsive dashboard displaying real-time news using public APIs.
- Implemented category-based filtering and dynamic content rendering.
- Designed the interface for improved readability across devices.

Smart Attendance System (Hackathon Project) | *Python, Flask, HTML, CSS*

September 2025

- Developed a web-based attendance system using Python and a lightweight web framework.
- Implemented backend logic with data storage and dynamic page rendering.
- Built responsive frontend pages using HTML and CSS.

MoleculeMind AI (Prototype Project) | *Python, FastAPI, HTML, CSS*

November 2025

- Developed a prototype decision-support web application for molecule repurposing workflows.
- Built backend routing logic using Python and FastAPI.
- Designed interface pages using HTML and CSS and generated summary reports.

Technical Skills

Programming Languages : C, Java, Python

Web Technologies : HTML, CSS, JavaScript, Bootstrap

Framework & Libraries : React.js

Development Tools : Git, Github, Visual Studio Code

Certifications

Programming in Java - NPTEL (12 Week Course)

Introduction to Cybersecurity - Cisco

Salesforce Agentforce Specialist - Salesforce

Languages Known

- English
- Tamil (Native)
